

Vision Workbook

VISION is the practice of creating and articulating a clear and compelling picture of your desired future. This worksheet will guide you through some key questions to help you prepare a vision for something you'd like to create or make happen. It can be for a project, an organization, or even a personal vision for your life.

- **Draw, write, or make a collage about your vision.**

- **What about your vision gets you most excited?**

- **What difference will your vision make for:**

a. ... You? _____

b. ... Your community? _____

c. ... The world? _____

- **What are key elements that stand out to you about your vision?**

1) _____

2) _____

3) _____

- **What will exist when you are done?**

- **What are possible next steps towards this vision?**

1) _____

2) _____

3) _____

Now that you have your vision, here are a few ways to take it forward:

- *For a personal vision, consider posting your canvas where you'll see it every day, like the bathroom mirror or next to your computer monitor.*
- *For a project vision, share it with others who might want to get involved and invite their feedback.*
- *For an organization vision, share it with your colleagues and co-workers and invite their feedback.*

Happy visioning!
